Cabernet Sauvignon-Des Pourthie- France-2022	6.50 / 8.50 / 10.00 / 29.00
<i>A sporting little house red to drink on its own but butch enough to wash down a steak</i>	
Pinot Noir-Santiago- Chile-2022	6.50 / 8.50 / 10.00 / 29.00
<i>Difficult to fault this cracking Pinot, punching well above it's weight for the price, also good chilled</i>	
Primitivo- Salento Cantine de Falco- Italy-2022	6.50 / 8.50 / 10.00 / 29.00
<i>Nothing primitive about this outstanding wine. Deceptively grown up yet refreshingly contemporary-our almighty all rounder.</i>	
Gamay- The Notes- France- 2023	32.00
<i>This Gamay is blood to a vampire, unbelievably good, the one that would have me falling off the wagon - if I could ever get on it, also great chilled</i>	
Rioja- Artuke-Spain-2022	33.00
<i>Excited to bring you this stunning cotemporary Rioja, the young guns over in Espana shaking up the traditional methods for the modern palette.</i>	
Malbec- Aruma Bodegas Caro- Argentina-2021	39.00
<i>Aruma The gen-z'ers from the grand old wine houses are challenging the old order with younger fresher flavours but still ringing with class</i>	
Bordeaux-Chateau du Cruzeau- France-2010	51.00
<i>Another contemporary take on a traditional wine growing region, silken soft with a happy nose, could almost drink this on its own</i>	
Claret- Chateau Cissac-France 2018	55.00
<i>Favourite of our wine advisor and friend. Andre Freeland. Full bodied and fabulous with aristocratic intent. Especially suited to red meat and game</i>	
Barolo- Vietti - Italy- 2017	65.00
<i>I've never been convinced by Barolo but we all kept coming back to this delight. A bewitching quality with many faces, this Barolo creeps up and leaves you smiling</i>	
Amarone Valpolicella-Cantina di Negar- Italy-2020	65.00
<i>A direct challenger to the Barolo above, this Amarone has all the wonder of an Italian Opera, baritone with flashes of soprano, a grand wine for the big occasion</i>

WHITE WINE

125 / 175 / 250 / BTL

Chenin Blanc-Blockhead- South Africa-2022

5.00 / 8.00 / 9.50 / 26.00

Its no easy task finding a genuinely good and competitively priced house white. Blockhead has impressed all, a summer classic to drink alone but enough depth to accompany summer dishes.

Gruner Veltliner-Little Cricket- Hungary-2023

6.50 / 8.50 / 10.00 / 29.00

Really pleased to bring this challenger wine from Hungary. An elegant wine elegantly bottled. Good to drink alone but will stand up to food too.

Blanc de Blanc- Chateau Oumsiyat- Lebanon- 2023

6.50 / 8.50 / 10.00 / 29.00

Having miss-spent youth in the Bekka valley I love this region and delighted to stock this Blanc de Blanc. Light fresh and bursting with pride.

Viogner-Extrait de Romarian- France-2021

31.00

This charmer fought off stiff three-way competition to make the list. Unquestionably the best value Viogner, arguably the best regardless. Goes with anything or go it alone.

Gavi- San Silvestro- Italy- 2023

37.00

A zinging tango of wonderful white wine, a celebration of bottled happiness anytime, any day.

Apla- Oenops- Greece- 2023

38.00

If we had to label one 'club classic' it would probably be this upstart from Greece. The kids loved it, Sasha and I loved it – serious musicians label Mozart to easy to love – well here we have the Mozart of white wine!

Chardonnay- Lanzerac-South Africa-2022

39.00

Let's not deny this one is for Sasha! Again, stiff competition beaten off by this wonderful Chardonnay. A serious white wine to accompany specials and special occasions.

Pouilly Fume- Domaine Herve Seguin- France-2023

40.00

Finally, a very sophisticated haute white, delicate, delicious and probably my favourite.

ROSE WINE

125 / 175 / 250 / BTL

Invitation Rose- Chateau De Campuget- France-2022

6.50 / 8.50 / 10.00 / 29.00

We are thrilled to find this generous & floaty 'session rose' at a really competitive price point.

Provence Rose- MIP Collection- France-2023

44.00

In danger of becoming a brand rather than a wine but still just edging the competition at the higher end of provencal roses

SPARKLING WINE & CHAMPAGNE
